REMOVE SKUNK AND WILDLIFE ODORS

Directions

Sprinkle Earth Care Odor Eliminating granules directly on:

- Pets and Humans
- Landscaping and Lawns
- Artificial Turf
- Dirt, Rock and Gravel
- Concrete, Wood Decks
- Carpets, Linoleum, Wood Floors, Tile
- Furniture, Leather, Bedding
- Litter Boxes, Animal Cages
- Cars, Boats, Motor Homes

Leave down 24-48 hours and sweep or vacuum up. When sprinkling on pet gently work into coat. Leave on as long as pet will tolerate. Do this outside so pet can shake off granules.

Repeat as necessary. Odors are absorbed within 24 hours. One bucket covers approximately 100 square feet. For Skunk Odors allow one bucket for 500 square feet.

How Earth Care Eliminates Odors and Why It is Safe

- Earth Care does not have to come into contact with the odor producer, it will pull the odors from the entire area.
- Earth Care draws in odors like a powerful magnet. The odors are adsorbed, not neutralized without any fragrances.
- Earth Care does not cover up odors, it literally "clears the air" leaving the air fresh and clean.
- Earth Care is made from a blend of all natural minerals, is non-toxic and biodegradable and safe for plants, earth. It is safe around children and pets even if eaten. Granules are totally safe for all birds and vegetation.

"My husband was sprayed by a skunk. My entire house, carpets, furniture and husband was consumed by this horrible odor. Within 24 hours the odor was completely gone...it performed miracles."
